

## 30-Days-to-Director Promotion

Vipze is pleased to introduce a new program called the 30-Days-to-Director Promotion.

### Objective:

The purpose of this promotion is to accomplish the following objectives:

- Create significant momentum for those desiring to achieve a Rank Promotion to Director.
- Offer additional economic incentives to those desiring to get off to a fast start.
- Create a contest-like environment to stimulate activity.
- Provide recognition for those that have excelled and built an organization quickly by providing leadership and team-oriented environment.

### Timing:

This program will commence on 9-9-9 and will remain in place until further notice.

### Program Details:

## APPLICABLE TO ALL GLOBAL AFFILIATES DESIRING TO ACHIEVE THE RANK OF DIRECTOR WITHIN THEIR FIRST 30 DAYS

Here's how this powerful new promotion works:

- Personally sign up a minimum of 3 ViPZE's who activate their GA position with the purchase of the GAP and these GA's also personally sign up 3 ViPZE's who activate their GA positions with the purchase of the GAP and have 50 points of CV. You must achieve rank of Director within the first 30 days of you becoming an affiliate.
- If meet the criteria, you are eligible to participate in two promotional pools:

**Pool #1** – this pool is funded by including 3% of CV on all GAP purchases during the calendar month – each qualifying GA is required to sign up a minimum of three vipze's that each purchase the GAP (Global Affiliate Package).

**Pool #2** – this pool is funded by including 2% of CV on all GAP purchases during the calendar month – each qualifying GA will receive an allocation based on them having three (3) of their personally sponsored GA's each sign up three vipze's that each purchase the GAP (Global Affiliate Package).

The month in which you qualify for each pool determines the month in which you will share equally with the other qualifying GA's.
